

## Designer and Manufacturer of Distinctive uPVC Tilt & Turn Windows & Doors For Multiple Applications

The Company is the largest designer and manufacturer of distinctive uPVC tilt & turn windows and doors intended primarily for the North American residential building and commercial/industrial construction sectors. ***From residential tilt and turn windows, to doors and shutters, to commercial curtain walls, the Company manufactures superior quality products that deliver unmatched performance to ensure complete customer satisfaction.***

### Company Highlights

- ***Industry Reputation:*** With the high quality products the Company designs and manufactures, there is no doubt the Company's industry reputation is sound.
- ***Management Team:*** An experienced management team will be of great importance to incoming ownership. From the general manager, to the controller, to the senior production supervisor, the management team will assure continuous growth.

### Broad Product Line:

- European-style tilt and turn windows – These windows are manufactured from uPVC profiles (REHAU's Brilliant Window System) and are adapted to North American building technologies and designs.
- North American style casement windows - These windows are also manufactured from uPVC profiles (REHAU's 1400 Series). Window highlights include ROTO stainless steel casement hardware, PFG glass (PFG Glass Industries Ltd, a Supplier in Langley, BC.), dual or triple panes, low-e coating and argon fill.
- Various types, including in-swing, out-swing French doors, tilt and turn doors and tilt and glide doors. All of these doors are based on the RENAU Brilliant Design vinyl profiles and feature ROTO hardware.

**Est. 2014 Revenue- \$18.9M**

**Est. 2014 EBITDA- \$2.13M**
