

Regulatory Advisory Firm

eMerge M&A, Inc. currently represents the premier expert on regulatory matters. The firm provides its blue chip client base with “blind” access to federal regulatory agencies to advise the agency on potential affects of regulatory actions. The firm also advises regulatory agencies regarding releasing reports that may be damaging towards the firms clients.

Company Highlights

- ◆ Confidential connection for client companies to reach regulatory agencies to provide feedback to pending regulations that may adversely affect an industry
- ◆ Specialize in the following industries: oil & gas, finance, telecommunication, mining, chemical, automotive and pharmaceutical
- ◆ The company’s technology, personnel, industry reputation and experience are keys to tremendous growth
- ◆ Serves *Fortune 500* companies throughout the United States to remove regulatory obstacles which hinder the actions of those companies on an almost risk free platform
- ◆ Established network of contacts at federal agencies allows the Company to identify key decision makers on a given issue
- ◆ Also ensures accuracy of Federal reports, grants third party endorsements and restrains the collection of sensitive and/or burdensome information
- ◆ Sales, currently at \$3.2MM with over 20% profit, are forecasted to increase between 6-10% annually throughout the pro forma period
