***Acquiring This Company Would Augment
Both Your Product Lines And Customer Base.***

***Research Tells Us That Your Company Manufactures Food Ingredients
But NOT These Products.***

Est. 2019 Revenue \$79 Million

Investment Highlights

Acquire this Company and gain immediate access to its highly regarded clean label, Non-GMO and organic ingredients. This well regarded Company is seeing growth ranging from 11.9% to projected 20% annually; 2018 to 2020. Continue to enjoy this growth from acquiring this Company but add its products to your product line and enjoy similar growth within your customer base.

- **Industry Leader:** The Company is a leader in the development of clean label ingredients. With a portfolio of numerous clean label products, the Company is one of the few providers that can completely clean the label.
- **Continuous Product Innovation:** The Company has a dedicated R&D team and in house Lab that listens to the market to develop clean label solutions for their products and continues to innovate clean label products and enzyme technology.
- **Consumption and Market:** As global demand for natural, clean label, non-GMO, products continues to rise; the Company is well positioned to serve as a major supplier of choice by continuing to provide flexible, timely, and consistently superior products, service, and support.
- **Blue-chip Customer Base:** The Company's customers are large, well known, stable food companies. Any acquirer that markets other food ingredients would gain immediate entrée into this lucrative customer base.
- **Fine Tuned Turnkey Operation:** The Company has a stable Employee Base, Management Team, as well as full production and operating systems. It is fully certified and compliant with all industry regulations.
