### Leading Court Reporting and Medical Records Retrieval Company

This is a rare opportunity to expand your legal services business into the Northwest United States in a major metropolitan market.

Our highly profitable client specializes in legal/medical document retrieval, court reporting and state of the art transcription services.

This is what our client offers your company:

- **Exceptional Profitability** – Annual EBITDA approaching 30% the result of a lean, efficiently run organization that creates client value year in, year out.
- **25+ Year History** – Proven within the Insurance, Healthcare and Legal community, the firm has grown to serve an expanding geographic market for over a quarter of a century.
- **Large, Active Customer Base** – Over 1,300 active clients including major insurance and law enforcement clients that generate on-going revenue and present continued growth opportunities.
- **Proprietary Document Management System** – Built upon an industry standard platform, this highly efficient, custom-designed document management system effectively manages, tracks, and bills over 100,000 document requests per year.
- **Industry Leading Pre-Paid Document Retrieval Service** – Our client is able to provide critically needed documents in a fraction of the time versus the competition with pre-paid document retrieval agreements.
